

累積舊的醫藥？

“Old Pills Piling Up?”

請您不要把醫藥丟進排水管內！

“No Drugs Down the Drain Please!”

把沒用完的醫藥丟進或沖到排水管會流進水路造成環境污染。

“Unused medicine that is flushed or put down the drain can end up in our waterways and pollutes the environment.”

只要您遵守醫生處方的規定和適當的處置沒用完部分的醫藥，您就可以改變整個世界。

“You can make a world of difference by following prescriptions as directed, and then disposing of your unused portions properly.”

除了不要丟棄之外，請把沒用完的醫藥帶到我們的回收活動中心 (date, time, location)

“Instead of dumping, please bring unused medicine to our collection event (date, time, location)”

您如果需要更多關於其他”正常”處置沒用完醫藥的資料，

請查閱下列網站 (www.myagency's website.com) 或是下列活動 (date, time, location)

“For more information on other options, please visit www.myagency's website.com or event, (date, time, location)”
